

These activities and ideas are based around the book "Princess Mirror-Belle and the Dragon Pox" By Julia Donaldson.

All activities could be done without the book!

**Adding up those spots!**

Princess Mirror-Belle and  
Ellen have a lot of spots!  
Can you find out how many  
pox spots they have?

# Starting with a Story

## Talking together

Can you count the spots on each girl and add them together?

Use the 10 frames to help you.

**Lots of spots  
Challenge!**

Can you find all the spots in  
this picture?

### Learning through Play

A helping hand to where our activities link in our schemes and the EYFS.

Reception - Notes and guidance

#### Summer Progression

Addition and Subtraction Change

→ Adding more

→ Taking away

#### Development matters 40-60

Uses the language of 'more' and 'fewer' to compare two sets of objects.

Says the number that is one more than a given number.

In practical activities and discussion, beginning to use the vocabulary involved in adding and subtracting.

Records, using marks that they can interpret and explain.

Begins to identify own mathematical problems based on own interests and fascinations.

#### Early Learning Goal

Children count reliably with numbers from one to 20, place them in order and say which number is one more or one less than a given number.

Using quantities and objects, they add and subtract two single-digit numbers and count on or back to find the answer.

They solve problems, including doubling, halving and sharing
