Mum waved off Kit and Sam as the coach pulled away. She knew they would have an amazing time camping with Beavers.

It was only a short journey on the coach before the Beavers arrived at the woods. “Look!” **called** out Sam. “We have arrived at the woods! The sign says ‘Welcome to South Woods!’”

They **looked** out of the window and saw that South Woods was already full of scouts and leaders. They had put the tents up ready for the Beavers' camping trip.

They have labelled the tents.  
Can you read each of the **ou** words on the tents?

The first thing the Beavers **could** do was put **their** rucksacks in the tents. Sam and Kit's tents were beside each other. Sam was sharing with her best friend, Gabi. Kit was sharing with his best friend Jake and one other boy.

Sam could not wait to reach her tent. It was a warm evening and Sam was feeling tired and thirsty. Once inside the tent, Sam rummaged around in her rucksack looking for something.
